Pune, Maharashtra, India

Professional Summary

Data Analyst skilled in Python, SQL, Power BI, and Excel with hands-on experience analyzing 9,500+ restaurant records and 950+ IPL matches. Passionate about transforming data into actionable business insights.

Technical Skills

Programming Languages: Python, SQL, PHP, JavaScript

Data Analytics: Data Cleaning, Data Preprocessing, Exploratory Data Analysis (EDA), Statistical Analysis, Feature Engineering, Data Visualization

Libraries: Pandas, NumPy, Matplotlib, Seaborn, Scikit-learn (Basic)

Business Intelligence: Microsoft Power BI, Microsoft Excel (Pivot Tables, VLOOKUP, Charts)

Databases: MySQL

Developer Tools: Jupyter Notebook, Git, GitHub, Visual Studio Code

Projects

Zomato Restaurant Analytics

GitHub

- **Data Cleaning:** Cleaned and preprocessed a dataset of **9,551 restaurant records** by handling missing values, duplicate entries, and inconsistent data formats.
- **Exploratory Data Analysis:** Analyzed customer preferences, cuisine trends, pricing patterns, ratings, and location-wise demand to identify business opportunities.
- **Visualization:** Developed insightful visualizations to communicate restaurant ratings, pricing trends, and customer behavior for business decision-making.
- **Tools:** Python, SQL, Pandas, NumPy, Matplotlib, Seaborn, MS Excel

IPL Performance Analytics

GitHub

- **Data Analysis:** Analyzed a dataset of **950 IPL matches** to evaluate team performance, player statistics, and season-wise trends.
- **Performance Insights:** Examined the impact of toss decisions, venues, winning margins, and match outcomes to identify key success factors.
- **Visualization:** Built analytical reports and visualizations highlighting team performance, player awards, and season-wise winning patterns.
- **Tools:** Python, SQL, Pandas, NumPy, Matplotlib, Seaborn

Kaksha Career Counseling Platform

GitHub

- **Career Assessment:** Developed a web-based platform that evaluates students' interests, skills, and knowledge through an online assessment.
- **Career Recommendation:** Designed a recommendation system that suggests the top three personalized career paths based on students' assessment results.
- **Career Guidance:** Helped students discover career opportunities beyond traditional fields by providing personalized academic and career recommendations.
- **Tools:** PHP, MySQL, HTML, CSS, JavaScript

Education

Shri Sai Institute of Management and Research, Chhatrapati Sambhajinagar

2025 – 2027

Master of Computer Applications (MCA)- Pursuing

CGPA: 7.10 / 10

Deogiri College, Chhatrapati Sambhajinagar

2022 – 2025

Bachelor of Computer Science (BCS)

CGPA: 7.58 / 10

Certifications

- Google Data Analytics Professional Certificate – Google
- Deloitte Data Analytics Job Simulation – Forage

Achievements

- University 2nd Rank – Avishkar Research Competition (2025)
- District 3rd Rank – Avishkar Research Competition (2025)
- State 4th Rank – Brainstorm Competition (2025)

Languages

English, Hindi, Marathi
